### **Take and Make: Squishy Soap beginning August 1**

As part of the Summer Reading Program, the North Olympic Library System (NOLS) is offering a Take and Make: Squishy Soap kit. Beginning Monday, August 1 while supplies last, stop by any NOLS library branch and pick up one free kit per person.

Families and teens can make their own squishy soap with a few simple ingredients. Make different soaps in fun colors, sculpt it like playdough, and tear off a piece to make hand washing more fun! Adult supervision is recommended.

### **About the Summer Reading Program**

This year's theme for the Summer Reading Program is "Read Beyond the Beaten Path." NOLS will offer free art, science, and literacy activities throughout the summer centered on experiences like exploring nature, learning outdoor skills, and more.

For more information about the Summer Reading Program, visit [www.nols.org/srp](http://www.nols.org/srp), call 360.417.8500, or email [discover@nols.org](mailto:discover@nols.org). The Summer Reading Program is generously supported by Friends of the Library groups at all four NOLS branches.

*Pick up a squishy soap kit at any NOLS branch beginning August 1, while supplies last.*
