### **Read & Ride offered again on three Clallam Transit routes**

Need something to read on your commute? The North Olympic Library System (NOLS) has partnered with Clallam Transit System to offer the Read & Ride program again. It's easy – just grab a book while you're on the bus! Thanks to donations from the North Olympic Library Foundation, select bus routes will have books and magazines that you can read and return, or read and share with someone else.

Clallam Transit System's bus routes included in the Read & Ride program are Route 14 – Forks, Route 30 – Sequim, and the Strait Shot route to Bainbridge Island Ferry terminal. The Clallam Transit System provides bus service throughout Clallam County. For information on bus schedules and routes, visit [www.clallamtransit.com](http://www.clallamtransit.com).

The North Olympic Library Foundation was created to provide enduring support for the North Olympic Library System, its services, programs and collections. To learn more about the Foundation, visit [www.northolympiclibraryfoundation.org](http://www.northolympiclibraryfoundation.org).
