### **Kids Book Club at Port Angeles Main Library**

Popular program for students in Grades 1-3 continues monthly.

The North Olympic Library System (NOLS) is excited to announce the next three books for [Kids Book Club](#), a monthly program for students in Grades 1-3 and their caregivers. Kids will read the book on their own and then join Library staff for a lively discussion at the Port Angeles Main Library. An activity based on the book will be provided.

Books will be available for pick up on a first-come, first served basis at the Port Angeles Main Library after the prior month's program as noted below. A limited number of books will be available for participants to keep; additional copies and formats can be checked out through the library catalog. No registration is needed. Attendance at all sessions is welcome but not required.
