### ***Build It!* program with LEGO bricks encourages imagination and storytelling**

The North Olympic Library System (NOLS) is extending its monthly *Build It!* program through April — continuing the program at the Port Angeles Main Library, expanding drop-in hours at the Forks Branch, and adding the program at the Clallam Bay Branch. Kids can let their imaginations run free while they construct their own creations using LEGO® bricks.

Participants are encouraged to write a story about their creation, which will be photographed during the program.

Parents or caregivers are asked to accompany all children under 8 years old. All materials are provided. LEGO® bricks and creations will remain in the Library at the conclusion of each program.

### **Drop-in Program Schedule:**

#### **Forks Branch Library**

First Saturday of the month, 11:30am-4:30pm; January 7, February 4, March 4, and April 1.
