Re: An Escape Room for Teens: Cabin at the Edge of the Woods

The North Olympic Library System (NOLS) is inviting teens in 7th-12th grades to test their puzzle-cracking skills during a frighteningly fun escape room challenge, the “Cabin at the Edge of the Woods.” The free event is on Thursday, February 9, from 5-6pm at the Port Angeles Main Library, in the Raymond Carver Room.

The challenge begins when a beautiful hike takes a creepy turn. A strange fog appears out of nowhere. The only visible landmark is a cabin at the edge of the woods near the beach with its door wide open ...

Teens will need to solve decades-old puzzles using clues and their own deduction skills if they want to make it out of the cabin and back to safety!

For additional information, call 360.417.8500, send an email to [teens@nols.org](mailto:teens@nols.org), or visit [www.nols.org](http://www.nols.org). This program is generously supported by Port Angeles Friends of the Library.
