The North Olympic Library System (NOLS) welcomes guest presenter **Joanne Clarkson** to lead two **“Introduction to Tarot”** sessions. Participants can choose to attend in person on **Saturday, February 25, from 3-5pm at the Port Angeles Main Library**, or virtually on **Thursday, March 2, from 5-7pm on Zoom**. Registration at nols.org/tarot is only required for the virtual session to receive the Zoom link. A recording will be available after the Zoom event.

Clarkson will talk about the history and meaning of Tarot, and how the set of cards can be used for readings and reflection. She will discuss ways to interpret the cards, and show how to do a quick reading, followed by an opportunity for participants to practice. People of all experience levels are welcome to join, and there will be a chance to receive a free Tarot deck.

About the Presenter

Joanne Clarkson has practiced psychic mediumship from a young age, and she uses Tarot to answer questions about situations in clients' lives. Now retired from careers as a librarian and a home health and hospice nurse, Clarkson lives in Port Townsend, and gives readings and hosts

workshops. Her books include, “There’s Always a Miracle: True Stories of Life Before and After Death,” and the poetry collection, “Hospice House.”

This program is generously funded in part by local Friends of the Library groups. For more information about this and other programs for adults, visit www.nols.org, call 360.417.8500 or email Discover@nols.org.
