Re: Free Computer Classes through the Northstar Digital Literacy Program

The North Olympic Library System (NOLS) is teaming up with WorkSource Clallam to offer free computer classes. Participants can attend one or multiple classes to brush up on computer skills or learn how to use the computer for the first time.

For classes at the Port Angeles Main Library, registration is required in advance at www.nols.org/northstar, or by calling the Library at 360-417-8500. Classes at the Clallam Bay and Forks Branch libraries are drop in; no registration is needed.

Port Angeles Main Library

Wednesdays, June 14, June 28, July 12, and July 26, 5-6:30pm

Clallam Bay Branch Library

Tuesday, June 20, and Monday, July 17, 5-6pm

Forks Branch Library

Wednesdays, June 21, and July 19, 5:30-7pm

The classes are part of the Northstar Digital Literacy Program that helps job seekers gain computer skills needed to obtain employment and anyone interested in learning how to complete general tasks using a computer. During each class, a Digital Resource Navigator from WorkSource Clallam will help participants learn at their own pace. Content will be based on the needs and interest of attendees and can range from how to use a mouse to how to build an Excel spreadsheet, and much more.

For more information about this and other events and services at your Library, visit www.nols.org, call 360.417.8500, or email Discover@nols.org.
