### **Big Library Read features an uplifting family drama, July 13-27**

*Borrow "A Very Typical Family" as an eBook or eAudiobook for free with worldwide digital book club*

North Olympic Library System (NOLS) patrons can join readers around the world during [Big Library Read](#), the world's largest digital book club. From July 13-27, booklovers can access an eBook or eAudiobook of Sierra Godfrey's "A Very Typical Family" with no waitlists or holds, and can participate in an online discussion. Visit [anytime.overdrive.com](https://anytime.overdrive.com) or download the [Libby app](#) to borrow the novel. The free program only requires a [NOLS library card](#) to get started.

In "A Very Typical Family," Natalie Walker is the reason her older brother and sister went to prison over 15 years ago. She fled California shortly after that fateful night and hasn't spoken to anyone in her family since. Now, Natalie receives a letter from a lawyer saying her estranged mother has died and left the family's historic Santa Cruz house to her. The only way for Natalie and her siblings to inherit is for all three adult children to come back and claim it—together.

Written with delightfully dark humor and characters you can't help but cheer for, "A Very Typical Family" is an uplifting family drama that will have you reveling in the power of second chances.

Big Library Read is an international reading program that connects millions of readers around the world with an eBook through public libraries. "A Very Typical Family" is the 31st selection of this program, which began in 2013 and takes place three times per year. For more information or assistance to get started, visit [www.nols.org/biglibraryread](http://www.nols.org/biglibraryread), call 360.417.8500, or email [discover@nols.org](mailto:discover@nols.org).

*NOLS readers can enjoy "A Very Typical Family" as an eBook or eAudiobook for free with no waiting during Big Library Read, July 13-27.*
