Community members can learn about free online resources and ask technology questions at **Friday Tech Talk**, a new program offered at **9:15-10am on Fridays in October at the Sequim Branch Library** of the North Olympic Library System (NOLS).

Each week, Sequim Library staff will introduce a different online resource that can be accessed for free with a library card, and the group will explore it together. The Friday Tech Talk topic schedule is listed below.

- Oct. 13: **NoveList** reading recommendations and other online reading resources.
- Oct. 20: **Gale Health and Wellness** and other online health resources.
