Re: Drop-in Tech Help for library resources

Clallam Bay and Sequim branch libraries provide one-on-one assistance to help you access free eBooks, eAudiobooks, digital magazines, streaming music and movies, and more. Both branches have designated times for Drop-In Tech Help, when any individual can bring in their portable device for assistance using [online resources](#) offered by the North Olympic Library System (NOLS). Beginning Friday, Jan. 5, Drop-In Tech Help will be available on the first Friday of every month, 9:30-11am in Sequim and 1:30-2:30pm in Clallam Bay.

“You might have a new smartphone and need help installing the Libby reading app. Or maybe you’d like library staff to show you how to stream music or watch a movie using Hoopla on your laptop,” Librarian Corrina Desmarais said. “Even if you’ve never been to the library before, we can quickly sign you up for a free library card and get you started enjoying new content on your device.”
