The North Olympic Library System (NOLS) is excited to offer Discovery Club for kids in grades K-5, and their families and caregivers. Returning for a third year, this popular free program features a different hands-on activity each week, with time to meet new friends and try new things. Special guests, community organizations, and NOLS youth services staff will present STEAM Stations, wildlife and nature education, recycled art, and more. Visit NOLS.org/Discovery for details. No registration needed. Children must be accompanied by an adult.

Discovery Club is held weekly from July 3–August 8 at the Port Angeles, Forks, and Clallam Bay libraries, and at the Olympic Peninsula Academy gym in Sequim.

Discovery Club Schedule

- **Forks Branch Library** on Wednesdays from 10–11am starting July 3.
- **Port Angeles Main Library** on Wednesdays from 3:30–4:30pm starting July 3.
