Kids in grades 4–7 will build robots that scribble at [STEAM for Tweens: Scribble Bots](#), a free event offered by the North Olympic Library System (NOLS). The event takes place at the Port Angeles Main Library, 2210 S. Peabody St., on Thursday, July 18, from 3:30 p.m. to 4:30 p.m.

Recycled materials, markers and a small motor are provided, allowing participants to build and experiment with Scribble Bot designs, observe their robots in action and take their robots home.

About the Summer Reading Program

This event is part of the “Read, Renew, Repeat” Summer Reading Program, happening now through August 24. Sign up for a Reading Challenge, earn a T-shirt, win prizes, and participate in fun events.

For more information about the Summer Reading Program, visit [NOLS.org/SRP](https://nols.org/SRP), call 360-417-8500, or email discover@nols.org. The Summer Reading Program is generously supported by Friends of the Library groups at all four NOLS branches.

Tweens can make Scribble Bots on July 18 at the Port Angeles Main Library.
