Caregivers can bring children ages 5 and under to a free Block Build and Play program at the Port Angeles Main Library, 2210 S. Peabody St., from 10 a.m. to 11 a.m. on the first Wednesday of each month. Building with blocks can help babies, toddlers and preschoolers develop early math and science skills.

To learn more about youth programs at your library, visit nols.org/events, call 360-417-8500 or email youth@nols.org.

Babies and young children can enjoy building with blocks and playing together each month at the Port Angeles Main Library.
