The North Olympic Library System (NOLS) is excited to announce the fall titles for [Kids Book Club](#), a monthly program for students in grades 1–3 and their caregivers. Kids will read the book on their own and then join library staff for a lively discussion at the Sequim Library Temporary Location, 609 W. Washington St., or at the Port Angeles Main Library, 2210 S. Peabody St. A fun activity based on the book will be offered at each event.

A limited number of books will be available for participants to keep and can be picked up on a first-come, first served basis after the prior month's program as noted below.
