Re: NOLS offers free monthly STEAM programs for tweens
Attached: *NOLS-ScribbleBots.jpg*

Tweens can create and learn through free monthly science, technology, engineering, art, and math (STEAM) activities at the Port Angeles and Sequim libraries of the North Olympic Library System (NOLS).

The Port Angeles Main Library, 2210 S. Peabody St., invites students in grades 4-6 to “[STEAM for Tweens](#)” on Friday, Oct. 11, and Thursdays, Nov. 14 and Dec. 12, from 3:30 p.m. to 4:30 p.m. A different activity is offered each month. Make mystery math mosaics, build motorized Scribble Bots and get creative with loom weaving.

At the Sequim Library Temporary Location, 609 W. Washington St., students in grades 4-7 can participate in “[STEAM Saturdays for Tweens](#)” on the third Saturday of the month, Oct. 19, Nov. 16 and Dec. 21, from 2:30 p.m. to 3:30 p.m. Explore Makey Makey invention kits, build with magnetic construction systems, and more.

For information about youth programs at NOLS, visit nols.org/events, email youth@nols.org, or call 360-417-8500. This program is generously funded in part by Friends of the Library groups.
