Children ages 5 and younger can enjoy hands-on afternoon playtime with blocks at the Port Angeles Main Library, 2210 S. Peabody St., on the first Wednesday of each month from 4 to 5 p.m. January's event will be held on Thursday, Jan. 2, due to the library's holiday closure. Kids can have fun while developing their early math and science skills using a large set of new blocks.

For more information, visit [NOLS.org/events](https://www.nols.org/events), call 360-417-8500, or email youth@nols.org. This program is generously funded in part by Port Angeles Friends of the Library.

Children ages 5 and under can enjoy the free Block Build & Play program monthly at the Port Angeles Main Library.
