The North Olympic Library System (NOLS) presents the concert **Celtic Harps, Rare Instruments and Wondrous Stories** with **Lisa Lynne and Aryeh Frankfurter**. The free hour-long performance begins at 6 p.m. on Friday, Feb. 21, at the Port Angeles Main Library, 2210 S. Peabody St.

Lisa Lynne and Aryeh Frankfurter play original compositions and traditional instrumental tunes from Sweden and Ireland on Celtic harps, the rare Swedish nyckelharpa, Ukrainian bandura, cittern, and more. The musicians also share tales from their adventures as modern day troubadours.

This program is funded in part by Port Angeles Friends of the Library. For more information about this and other programs, visit [NOLS.org/events](http://NOLS.org/events), call 360-417-8500, or email [Discover@nols.org](mailto:Discover@nols.org).

**About the Musicians**

Lisa Lynne and Aryeh Frankfurter are a multi-instrumentalist duo from Oregon. They tour extensively, both having established recording and performing careers built from years of street

performing and a background as rock musicians. They have performed with folk and acoustic musicians and have sold well over a million albums combined.

Lisa Lynne is known for her original music featuring a Celtic harp. Her melodies have ranked in the Top 10 and Top 20 on Billboard's New Age music charts. Her work in therapeutic music has been featured on NBC, CNN, Fox News Atlanta and in numerous newspaper and magazine articles including The Wall Street Journal. Her music is on soundtracks for commercial television, independent films, and the award-winning PBS special "Alone in the Wilderness." She was named one of the 50 most inspiring women by Los Angeles Magazine.

Aryeh Frankfurter has studied under master violinists and other renowned musicians, including the concertmaster of the Chicago Symphony Orchestra and teachers at San Francisco Conservatory of Music. At the age of 15, he began playing the Celtic harp, which became the focal point of his musical inspiration and expression. He plays a variety of instruments including electric violin, viola, cello, guitar, cittern, mandolin, lap dulcimer and hammered dulcimer, bowed and plucked psaltry, penny whistle, baroque flute, recorder, percussion and the Swedish nyckelharpa. He works as a performer and audio engineer. He has 18 albums to his credit and two books.

More information about the duo is available at [lisalynne.com](http://lisalynne.com).
