Six teams of fourth-grade students at Helen Haller Elementary School participated in the Sequim Library's Books and Trivia competition on March 7, testing their knowledge of two books in a quiz-style format. Team Starburst, made up of Nadia Martinez, Sidney Williams, and Ellie Hannam, won first place. They received award certificates and will each select a book for donation to the school's library, courtesy of the Friends of Sequim Library.

Books and Trivia competitions are also scheduled to take place in the coming weeks at Five Acre School and Olympic Peninsula Academy. Winners at each school will be awarded the same prize.

The Books and Trivia program is designed to encourage reading, promote teamwork, and help students build a home library. Earlier in the year, participating students received two books to read and keep, then Youth Services Librarian Charlotte McGrew facilitated book discussions and practiced trivia in each classroom.

This program is generously funded in part by the Friends of Sequim Library. For information about other youth programs offered by the library, visit [NOLS.org/events](http://NOLS.org/events), email [youth@nols.org](mailto:youth@nols.org), or call 360-683-1161.
