The North Olympic Library System (NOLS) is excited to announce the fall titles for [Kids Book Club](#), a monthly program for students in grades 1–3 and their caregivers. Kids will read the book on their own and then join library staff for a lively discussion at the Port Angeles Main Library, 2210 S. Peabody St. The program includes a fun activity based on the book.

Each month, a limited number of books will be available for participants to keep and can be picked up on a first-come, first served basis after the prior month's program as noted below. Additional copies and formats can be checked out through the library catalog. No registration is needed. Attendance at all sessions is encouraged but not required.

### **Kids Book Club Schedule**

Second Wednesday of each month, 3:30 to 4:15 p.m.
