The community is invited to a free [“Setting Goals” workshop](#) on Friday, Dec. 5, from 4 to 5:30 p.m. at the Forks Branch Library, 171 S. Forks Ave. The interactive session includes two activities designed to help teens and adults clarify their goals and visualize reaching them.

Attendees will explore the SMART goal-setting method and put it into practice by writing their own short- and long-term goals. Each participant will also create a vision board to take home for ongoing inspiration.

For more information, visit NOLS.org/events, call 360-374-6402, or email discover@nols.org.
