The North Olympic Library System (NOLS) invites families to a [free program with Mikey the Rad Scientist](#) on Saturday, Dec. 6. Sing, dance and learn about nature at this interactive musical event. Designed for children ages 2 to 8 and their caregivers, the program blends original songs, playful movement and fun facts to spark curiosity about animals, ecosystems and the world around us. Mikey helps kids connect with science in a way that's joyful, memorable and totally rad.

## **SCHEDULE**

**Port Angeles Main Library**, 2210 S. Peabody St.

Saturday, Dec. 6, 10:30–11:30 a.m.

**Sequim Library Temporary Location**, 609 W. Washington St.

Saturday, Dec. 6, 3–4 p.m.

## **About the Performer**

Mikey the Rad Scientist brings science to life with his creative and engaging music. He has been teaching and singing nature songs for over 10 years covering concepts such as symbiosis, the

water cycle, plant and animal biology, astronomy and math. Learn more at [mikeytheradscientist.com](http://mikeytheradscientist.com).

This program is generously funded in part by local Friends of the Library groups. For more information about this and other youth programs, visit [NOLS.org/events](http://NOLS.org/events), call 360-417-8500, or email [youth@nols.org](mailto:youth@nols.org).

*Mikey the Rad Scientist brings a family-friendly program to the Port Angeles Main Library and Sequim Library Temporary Location on Saturday, Dec. 6.*
