Re: Winter break STEAM activity with 3D printing pen
Attached: *3DPrintingPen-Sequim.jpg*

Kids can make 3D creations with 3Doodler printing pens on Saturday, Jan. 3, from 3 to 4 p.m. at the Sequim Library Temporary Location, 609 W. Washington St. In this [free program](#) for ages 6 and up, kids can use their creativity to draw raised designs with this low-tech STEAM tool.

Supplies are limited, and while taking turns printing designs, participants can also explore Snap Circuits and Magna-Tiles. Children under age 9 must be accompanied by an adult.

For more information, visit NOLS.org/events, call 360-683-1161, or email discover@nols.org. This program is generously supported in part by the Friends of Sequim Library.

Kids ages 6 and up can use a 3D printing pen at the Sequim Library, Jan. 3.
