Students in grades 1-3 can stop by the Forks Branch Library, 171 S. Forks Ave., to pick up “Wildlife Rescue: How to Save an Owl” to read before the first [Kids Book Club](#) meeting on Feb. 24. Kids will read the book on their own and then join library staff for a fun discussion and snacks.

A limited number of books are available for participants to keep and can be picked up on a first-come, first served basis before each program. Additional copies and formats can be checked out through the library catalog. The program is free and no registration is needed. Attendance at all sessions is encouraged but not required.
