Re: Free social events for gardening enthusiasts with NOLS and Clallam County Master Gardeners

The North Olympic Library System (NOLS) invites plant-lovers to free social events during the “Plant a Seed, Read” Summer Reading Program. Volunteers from **Clallam County Master Gardeners** will be available to help attendees with their plant problems, identify plants and insects, and provide information on sustainable gardening and other topics. Attendees are encouraged to bring questions and issues they are facing with their gardens.

Everyone is welcome to pull up a chair and chat about gardening. A selection of tea will be available to foster conversation.
