Re: New fall programs at Sequim Library begin in early October

SEQUIM, Wash. – The Sequim Branch Library, 630 N. Sequim Ave., is hosting several new program series beginning in early October. All library programs are free.

Silent Reading Party – Thursday, Oct. 1, from 5:30 to 6:30 p.m., and recurring monthly on the first Thursday.
Readers of all ages are invited to settle in for an hour of reading and a hot drink. Bring anything you are currently reading or borrow a book from the library. Expect a quiet and cozy atmosphere with low lights and a virtual fireplace. Attendees are welcome to dress comfortably and bring a lap blanket or book light. There will be an option to stay and talk after the event.

Kids and Family Night – Saturday, Oct. 3, from 4:30 to 5:30 p.m., and recurring monthly on the first Saturday.
Families with kids in preschool to high school are invited to connect and have fun at the library with a different theme each month: Anime and Manga Night on Oct. 3 includes a screening of "Chi's Sweet Home" (2008, G), art activities, pizza, snacks, costumes and cosplay. Movie Night on Nov. 7 features "Hoppers" (PG, 2026), pizza and popcorn. Game Night on Dec. 5 offers a chance to play board games, card games and Mario Kart on Nintendo Switch.

Board Games – Tuesday, Oct. 6, and Thursday, Nov. 5, from 12:30 to 2:30 p.m.
Drop in and play a board game or card game from the library's collection, or bring your own. Come with a group or join a game when you get here. This event is geared toward adults, and everyone is welcome.

Sensory Storytime – Tuesday, Oct. 6, from 4:30 to 5 p.m., and recurring monthly on the first Tuesday.
The lower-stimulation Sensory Storytime features quieter songs, dimmed lights, interactive play with scarves and a visual schedule. Space is limited and registration is encouraged. You do not need a library card to register.

To learn more, visit nols.org/events, call 360-683-1161 or email discover@nols.org. Sequim Branch Library programs are generously funded in part by the Friends of the Sequim Library.
