Re: Costume expert to teach the art of costuming for young adults

On Friday, July 22 at 3:00 pm at the Port Angeles Main Library young adults grades 7-12 are invited to a CosPlay (costume play) event. Participants will learn how to make their own CosPlay costumes from local expert Richard Stephens. Stephens will give costuming ideas on the cheap and participants will be able to take their creation home with them. After Stephens' program, they will also learn to make a simple boffering sword. A boffering sword is a weapon made of foam used in live action role play or cosplay.

You Are Here is the theme of the North Olympic Library System's 2011 summer reading program for young adults, where teens throughout Clallam County are invited to read and review books. Participants can submit written book reviews at any of the four North Olympic Libraries: Port Angeles, Clallam Bay, Forks, and Sequim to become eligible to win a Nook e-reader. *You Are Here* runs through August 6.

For more information about *You Are Here* and other programs and events for teens, visit the Library online at www.nols.org, call (360) 417-8502, or email youth@nols.org. The Port Angeles Main Library is located at 2210 S. Peabody in Port Angeles.
