**Re:** National Gaming Day Activities at the North Olympic Library System Libraries

On November 12 three branches of the North Olympic Library System will be hosting a variety of events to celebrate National Gaming Day. The libraries in Port Angeles, Sequim and Forks will have board games and card games available for non-competitive play during regular library hours. In addition, the Sequim Branch will host a Wii Sports championship competition from 12pm to 2pm. The Port Angeles Library will feature a Family Trivia Competition from 4pm to 5pm. No registration is necessary for any of the activities and all ages are welcome.

National Gaming Day is an annual program supported by the American Library Association to recognize the literacy and learning opportunities in playing games. The programs are for all ages and the library encourages families to play together. All board games were donated by [FamilyandPartyGames.com](http://FamilyandPartyGames.com), an official sponsor of National Gaming Day.
