Re: Getting Graphic: YA Comic Book Club

Starting on Tuesday, January 3, at 3:30 pm and meeting the first and third Tuesdays of the month until Tuesday, May 29, young adults are encouraged to join the YA Comic Book Club at the Forks Branch of the North Olympic Library System.

Among the first activities, club members will plan, design, and develop their own comic strips, cartoon characters, and graphic novels. Members will use new types of graphic design materials to learn the art, design techniques, and writing skills needed to creating a comic book or graphic novel. The first meeting on Tuesday, January 3 at 3:30pm will be a welcome event. Information about the comic book club will be provided, along with the opportunity to create a 3-panel comic. On Tuesday, January 17, the club will begin preliminary character drawings and story line plans. On Tuesday, February 7, members will finish story development and begin sample layouts.

For more information about this and other programs for Young Adults, go to www.nols.org, or contact the Forks Library at (360) 374-6402 or Forks@nols.org. The Library is located at 171 Forks Avenue South in Forks.
