**Re:** Mind-bending May Movie Selection for Sequim Teen Friday Movie

On Friday, May 25, at 5:30pm at the Sequim Branch of the North Olympic Library System, teens ages 13 and up can sit back, relax, and bend their minds at the *Teen Friday Movie* for May, *Inception*. The movie is rated PG-13.

In *Inception*, Dom Cobb is the best there is at extraction; stealing valuable secrets inside the subconscious during the mind's vulnerable dream state. His skill has made him a coveted player in industrial espionage, but has also made him a fugitive and cost him dearly. Now he may get a second chance if he can do the impossible; inception, planting an idea rather than stealing one. If they succeed, Cobb and his team could pull off the perfect crime.

Originally suggested by the Library's Young Adult Advisory Council as a way for the Library to be a community gathering place for teens where they can be with their friends, the *Friday Movie* program provides a safe and free entertainment option for teens. All movies are shown under the terms of a licensing agreement through which the North Olympic Library System can hold public showings of selected films. On movie nights only the meeting room and lobby of the Sequim Library will be open. Staff will supervise the event and movie-type refreshments will be provided.
