Re: **RESCHEDULED DATES and TIMES for Pacific Science Center presents A Space Odyssey Show!**

North Olympic Library System announces a couple of scheduling changes for the Space Odyssey show, to be presented by the Pacific Science Center. The program will be presented **on Monday, July 23 at 3:30pm at the Clallam Bay Library, and on Tuesday, July 24 at Sequim Middle School (301 W. Hendrickson) at 10:30am, at the Port Angeles Library at 1pm, and finally at the Forks Library at 6pm.**

This fun and educational show takes off with a mind-blowing demonstration about balloons in the vacuum of space. Contemplate the real size of the moon, investigate astronomy tools like spectrosopes and telescopes, and then cheer for your team in a race between a child and a flashlight, demonstrating the concept of a light year by comparing it to a “kid year”.

The Pacific Science Center’s appearances are presented in conjunction with *Dream Big, Read!*, the North Olympic Library System’s annual Summer Reading program for young people of all ages, which runs through Saturday, August 4 at all four NOLS libraries. Besides enjoying books and reading, participants are eligible for prizes, including a grand prize of a Nook Touch. The performances are made possible with support from the Friends of the Library.

For more information about *Dream Big, Read!* and other events for young people, contact the library at (360) 417-8502, or email youth@nols.org. The Port Angeles Main Library is located at 2210 S. Peabody in Port Angeles. The Sequim Branch Library is located at 630 N. Sequim Avenue in Sequim. The Forks Branch Library is located at 171 Forks Avenue South in Forks, and the Clallam Bay Branch is at 16990 Highway 112 in Clallam Bay.
