Re: Teen volunteer opportunities available at the Sequim Branch Library

This fall the Sequim Branch Library of the North Olympic Library System will offer several volunteering opportunities for teens in grades 6-12. The orientation and training meeting for prospective teen volunteers will be on Monday, October 1 at 3:30pm in the Sequim Branch Library meeting room. Please fill out a volunteer application before attending the meeting. Application forms are available at the Library or on the NOLS website at www.nols.org (click on "Youth" and then "Young adults").

Young adults who volunteer at the library will earn service credits, meet new people, get a behind-the-scenes look at library work, enhance their resumés, and have fun! All volunteer activities will be supervised, and teens will be taught skills for working with the public, providing good customer service, and working as part of a team. Teen volunteers are asked to commit to at least three months of volunteering. Hours volunteered will be flexible and depend upon the commitment level set by each teen.
