Re: Bringing in the New Year with Teen movie night at the Sequim Library

On Friday, December 28, at 5:30pm at the Sequim Branch of the North Olympic Library System, teens ages 13 and up can ring in the New Year a few days early with the *Teen Friday Movie* for December, *New Year's Eve*. This movie is rated PG-13.

Set during New Year's Eve in New York City, this movie follows several people and how the day affects them. There's Kim the single mother, Laura, the chef who is cooking for a New Year's Eve party for a record label, Griffin and Tess who want to have the first baby of the new year and win a cash prize - - and every scenario in between. This movie is full of laughter and a little bit of romance.

Originally suggested by the Library's Young Adult Advisory Council as a way for the Library to be a community gathering place for teens where they can be with their friends, the *Friday Movie* program provides a safe and free entertainment option for teens. All movies are shown under the terms of a licensing agreement through which the North Olympic Library System can publicly show selected films. Many movies that are shown are based upon books found in the Library. All the movies shown are available for check out. On movie nights only the meeting room and lobby of the Sequim Library will be open. Staff supervise the event and movie-type refreshments are provided.
