**Re:** E-Books @ the Library: Learn to download e-books from the library!

Do you have a shiny new e-reading device in your life? At 1:30pm on Tuesday, February 25, and Tuesday, March 25, the Sequim Branch of the North Olympic Library System will offer workshops where you can learn how to download library e-books and audio books. Library staff will demonstrate how to use the library website to find downloadable audio or e-books that you can check out, and how to download them to your e-reader, tablet, i-pod, or smartphone. There will also be time for questions and hands-on explanations.

These workshops are free and open to the public. To allow ample time for individualized assistance and hands-on experience, registration is required. You must come with a device to learn on – Nooks can be placed on hold through the library catalog. Register on-line through the Sequim Branch Events Calendar at <http://www.nols.org/events/sequim.html>, over the phone, or in person.

For additional information about this program or other Sequim Branch Library events, visit [www.nols.org](http://www.nols.org), or contact Amber Blume-Barrett at [ablume-barrett@nols.org](mailto:ablume-barrett@nols.org) or 360-683-1161. The Sequim Branch Library is located at 630 North Sequim Avenue, Sequim.
