Re: The Cave Singers to perform at the Port Angeles Main Library

Seattle folk trio The Cave Singers will perform at 7pm on January 15 at the Port Angeles Main Library of the North Olympic Library System (NOLS). This performance will take place during the library's quarterly *Art Blast*—a free reception celebrating the opening of the new *Art in the Library* show. Refreshments will be served, and limited library services will be available during this special after-hours event.

The Cave Singers

Since their formation in 2007, The Cave Singers' rustic indie folk has become a staple of the Seattle music scene. After four albums and countless shows, the band will release their fifth album, *Banshee*, in February. The Cave Singers remind us that it takes a village. Their music remains approachable while retaining the complexity of writing skills possessed by folks who have dedicated their lives to music. Their appreciation of varied sounds, the writing process, and performing in every type of venue, house, and festival possible allows them to connect with those they speak to. Their passion for their craft translates from their recordings and resonates through their performances.

Art in the Library

The opening reception for the new *Art in the Library* exhibit will be held at 6:30pm, immediately preceding The Cave Singers' performance. This is an opportune time to meet the featured artist, enjoy refreshments, and view the new show, featuring work by Port Angeles artist

Pamela Hastings. The *Art in the Library* exhibit will be on display at the Library from January 8 until April 12.
