Re: *Explore!* Travel Tips with Susan Parr

Staring out the window, wishing you were somewhere exotic? Learn how to explore the world with the North Olympic Library System (NOLS) and Susan Parr of Susan Parr Travel at 6pm on Tuesday, January 12, at the Sequim Branch Library. Susan will share insider tips and tricks to ensure a smooth travel experience while on your next adventure.

About Susan Parr

Susan was bitten by the travel bug while still in high school. All it took was being chosen by the local Rotary Club to be an exchange student to Australia: within a year after returning, Susan began working for the travel industry. Ten years later, she opened Susan Parr Travel. When Susan isn't helping customers plan their dream vacations or trotting the globe herself, she spends time working on her small farm with her four giant dogs.
