Re: *Explore!* Bike Maintenance at the Sequim Branch Library

Have you found yourself enjoying a bike ride only to be stopped by what seemed to be a simple repair? Wish you knew how to take care of it on the spot? Join experts from Ben's Bikes at 6pm on Wednesday, March 9, at the Sequim Branch of the North Olympic Library System (NOLS) to learn how to perform simple roadside repairs and bike maintenance to keep you rolling on the trails this spring!

***Explore!* with NOLS**

The *Explore!* program series offers an introduction to a range of activities on the Olympic Peninsula and beyond. From travel and rhythm to DIY bike maintenance and bird watching, this series will inspire, educate, and help you take the first step toward your next adventure.

This program is generously supported by the Friends of Sequim Library. For more information about this and other upcoming events, visit www.nols.org and select "Events," and "Sequim," or call 360.683.1161. The Sequim Branch Library is located at 630 North Sequim Avenue in Sequim.

Explore! Bike Maintenance will take place at 6pm on Wednesday, March 9, at the Sequim Branch Library.
