Re: Book discussion of ***Sophie's Choice*** at the Sequim Branch Library

Sophie's Choice by William Styron will be discussed at 3pm on Saturday, March 12, at the Sequim Branch of the North Olympic Library System (NOLS).

“*Sophie's Choice* presents the consequences of lives dramatically thrust together in the wake of tragedy, and the results that come from having to face the horror of living through the unimaginable. Set in 1947, the story is told from the perspective of Stingo, a young aspiring writer from Virginia who...falls for Sophie, a beautiful Polish émigré, but she is deeply in love with Nathan...” (*Book Drum*).

Copies of ***Sophie's Choice*** are available in regular print and large print, and can be requested online by visiting the library catalog at www.nols.org.

All are welcome to drop in and participate.

The Sequim Branch Library is located at 630 North Sequim Avenue in Sequim. For more information about this and other programs for readers and book lovers, visit www.nols.org and select “Events” and “Sequim,” or contact the Sequim Branch Library at 360.683.1161 or Sequim@nols.org. This program is generously supported by the Friends of Sequim Library.
