Re: North Olympic Library System Celebrates National Car Care Month

April is National Car Care Month and all month long the North Olympic Library System (NOLS) will be highlighting *ChiltonLibrary*, an online automotive repair resource Library patrons can access throughout the year from a NOLS or home computer simply by visiting www.nols.org.

ChiltonLibrary helps “do-it-yourselfers” of all skill levels save money on vehicle repairs by offering expert step-by-step guidance as well as price estimates. Troubleshooting guides that include diagnostic trouble codes, photos, illustrations, diagrams, and multimedia (videos and animations) help simplify even the most complicated tasks.
