Re: Books & Libations at Camaraderie Cellars

Enjoy a perfect pairing at this 21-and-over event, co-hosted by the North Olympic Library System (NOLS) and Camaraderie Cellars! Learn about great new books and delicious local wine at this fun program for adults, taking place at 6pm on Thursday, July 14, at the Camaraderie Cellars Winery and Tasting Room in Port Angeles.

At each tasting station, participants will sample one great book and one of Camaraderie's artisanal Northwest wines. Each book has been perfectly paired with each of the wines, with titles ranging from classics to sci-fi to literary fiction, matched in tone and intensity to red, white, and rose wines. After your first taste, move on to the next table for another delicious pairing! Altogether, participants will learn about six spectacular books and sample six amazing libations throughout the evening.

Space is limited at this free event, and registration is required. To register, visit www.nols.org and select "Events" and "Port Angeles," or send an email to Discover@nols.org.
