About Gasko Green

About the 2016 Summer Reading Program

This year's Summer Reading Program continues through Saturday, August 20, and offers an array of programs and incentive-based reading challenges to encourage children to continue reading during the summer break from school. Research shows that children who do not read during the summer lose up to a month of instructional knowledge they learned the previous year in what is known as the "summer slide". Library summer reading programs have been shown to help alleviate the "summer slide" by providing access to materials, enrichment activities, and encouraging kids to read.

For more information about the 2016 Summer Reading Program and other events for young people, visit www.nols.org or contact the Port Angeles Main Library at 360.417.8500 ext. 7705, or send an email to youth@nols.org. The Sequim Branch Library is located at 630 North Sequim Avenue. The Port Angeles Main Library is located at 2210 South Peabody Street. The 2016 Summer Reading Program is generously supported by the Friends of the Library at all NOLS libraries.

Ventriloquist Vikki Gasko Green will perform at the Port Angeles Main Library and Sequim Branch Library on July 18 and July 19.
