Re: Giant-sized Games at Tillicum Park

Get ready for supersized fun with the Forks Branch Library's oversized collection of your favorite family games. The library will host Giant Games at 2pm on Wednesday, July 27, at Tillicum Park in Forks. Play giant-sized versions of Jenga, dice, Angry Birds, KerPlunk, and more during this free program, part of the 2016 Summer Reading Program at the North Olympic Library System (NOLS).

Summer Reading at NOLS

The 2016 Summer Reading Program, taking place June 20 through August 20, offers an array of events and incentive-based reading programs to encourage children to read during their summer vacations. Research shows that children who do not read during the summer lose up to a month of instructional knowledge they learned the previous year—what is known as the “summer slide.” Library summer reading programs have been shown to help alleviate the “summer slide” by providing access to materials, enrichment activities, and encouraging kids to continue reading.
