Re: *Summertime Music! Outdoor Concert Series* to feature Lobo Del Mar

Your lawn chair, a blanket, and some good eats are all you need to enjoy live tunes at the Sequim Branch Library's annual *Summertime Music! Outdoor Concert Series*. Celtic band and dance troupe Lobo Del Mar will share its global sound at 6pm on Friday, July 29 on the outdoor stage behind the library. Bring your family, bring your friends, and have fun at this free event.

### **About the band**

Lobo Del Mar is a family whose members form, among other endeavors, a Celtic band and dance troupe. Over the years this family has traveled the globe, experiencing dozens of cultures, and absorbing their influences along the way. What began as a Celtic band has become something indefinable, though when pressed they say, "world music and dance." Audiences are given a taste of the family's mixed heritage, as well as all the beautiful places Lobo Del Mar has called home.

### **More information**

There will be three more opportunities to enjoy live music outdoors at the Sequim Branch Library this summer. Following Lobo Del Mar's July 29 performance will be the eclectic Delta Rays on August 5, the Bushwick Book Club on August 12, and a community contra dance featuring fiddler Rodney Miller on August 20. All concerts will take place from 6-7:15pm on the outdoor stage behind the Sequim Branch Library. In case of rain or inclement weather, all concerts except the contra dance will be held indoors at the Sequim Branch Library; in the

event of rain on August 20, the contra dance will take place inside the Sequim High School cafeteria, located at 601 North Sequim Avenue.

The Sequim Branch Library is located at 630 North Sequim Avenue in Sequim.
