Re: *Summertime Music! Outdoor Concert Series* to feature local favorite the Delta Rays

Your lawn chair, a blanket, and some good eats are all you need to enjoy live tunes at the Sequim Branch Library's annual "Summertime Music! Outdoor Concert Series." The eclectic Delta Rays will share their spicy blend of Zydeco, R&B, Irish fiddle, Tex-Mex accordion, Gypsy folk, and swing at 6pm on Friday, August 5 on the outdoor stage behind the library. Bring your family, bring your friends, and have fun at this free event.

About the band

The Delta Rays have played regularly in the Port Townsend area for more than 20 years, as well as at the Juan de Fuca Festival, the Port Townsend Wooden Boat Festival, and the Jefferson and Clallam County fairs. Members include Peter Evasick on fiddle and guitar, George Radebaugh on piano and accordion, Peter Bliven on drums, and Todd Fischer on bass.

More information

There will be two additional opportunities to enjoy live music outdoors at the Sequim Branch Library this summer. Following the Delta Rays' August 5 performance will be the Bushwick Book Club on August 12, and a community contra dance featuring fiddler Rodney Miller on August 20. All concerts will take place from 6-7:15pm on the outdoor stage behind the Sequim Branch Library. In case of rain or inclement weather, all concerts except the contra dance will be held indoors at the Sequim Branch Library; in the event of rain on August 20, the contra

dance will take place inside the Sequim High School cafeteria, located at 601 North Sequim Avenue.

The Sequim Branch Library is located at 630 North Sequim Avenue in Sequim. For more information about this and other upcoming summer programs, visit www.nols.org and select “Events” and “Sequim,” call 360.683.1161, or send an email to Sequim@nols.org. This program is made free to the public with generous support from the Friends of Sequim Library.
