Re: Family Storytimes at the Forks Branch Library

Family storytimes at the Forks Branch of the North Olympic Library System (NOLS) will resume on Friday, September 9, and continue throughout the fall and spring. These weekly storytime sessions for children between the ages of zero and five and their parents or caregivers will take place at 10:30am each Friday, from September 9 through May 26, 2017.

Please note there will be no storytime programs on the following dates: November 11, November 25, December 23, and December 30.

#### **About NOLS storytimes**

Library storytimes are always fun and dynamic, and feature rhymes, songs, dancing, and the best books for young children. Activities such as talking, reading, playing, and singing all play an important role in early childhood development, which is why they are included in storytimes at NOLS. These activities support skill development and encourage children to interact with their caregivers and peers in a fun and literacy-rich environment. Storytimes also provide support to parents and caregivers by offering tips for effective ways to read, talk, sing, and play with the children in their lives. These are important skills that help prepare children for successful school and social experiences.
