Subject: Toddler Storytimes at the Port Angeles Main Library

Toddler Storytimes for children between the ages of 18 months and 3 years will resume at 10:15am on Friday, September 16, at the Port Angeles Main Library. This free program will take place every Friday from September 16 to November 18, and from January 6 to May 12. There will be no programs on April 28 or November 11. After each session, parents and caregivers will have an opportunity to visit and swap information about parenting resources in the community.

Storytimes at the North Olympic Library System (NOLS) feature picture books, fingerplays, music, and plenty of movement and wiggles. Studies show that children who are read to before the age of five develop essential pre-reading skills, supporting later success in school. Activities such as talking, reading, playing, and singing all play an important role in early childhood development, which is why they are included in toddler storytimes at NOLS. These activities support skill development and encourage children to interact with their caregivers and peers in a fun, literacy-rich environment.

For more information about NOLS storytimes and other programs for youth, visit the Library website at www.nols.org, call 360.417.8500 x7705, or send an email to youth@nols.org. The Port Angeles Main Library is located at 2210 South Peabody Street in Port Angeles. Storytime programs are generously supported by the Port Angeles Friends of the Library.

Toddler Storytime will take place at 10:15am every Friday at the Port Angeles Main Library, September 16-
November 18, and January 6-May 12.
