Re: Family Storytime at the Makah Tribal Head Start

The Clallam Bay Branch of the North Olympic Library System (NOLS) will facilitate family storytimes for children between the ages of zero and five at 5:30pm on the last Tuesday of the month beginning October 25 and continuing through May 31 at the Makah Tribal Head Start, located at 80 Ba'adah Village Loop Road in Neah Bay. Please note there will be no storytime program on December 27. Storytimes at NOLS feature rhymes, music, crafts, dancing, and the best books for young children.

Activities such as talking, reading, playing, and singing all play an important role in early childhood development, which is why they are included in all Library storytimes. These activities support essential skill development and encourage children to interact with their caregivers and peers in a fun, literacy-rich environment. "Storytimes are fun and dynamic, and help promote a love of reading while offering opportunities for kids to learn key language skills," Youth Services Librarian Pam Force said.
