Re: Navy Band Northwest to perform at Port Angeles Main Library's Art Blast!

Navy Band Northwest's Low Brass Quartet will perform at 7pm on Friday, October 21, at the Port Angeles Main Library of the North Olympic Library System (NOLS). This performance will take place during the library's quarterly *Art Blast*—a free reception celebrating the opening of the spring *Art in the Library* show. Refreshments will be served, and limited library services will be available during this special after-hours event.

### **About Navy Band Northwest**

Based out of Silverdale, Washington, Navy Band Northwest performs throughout the region for a variety of military functions and public concerts. Through the years the band has built a reputation of excellence and is widely known for its exceptional musical performances. Comprised of two trombones, euphonium, and tuba, the Low Brass Quartet repertoire includes many genres, including classical, Dixieland, jazz and contemporary. The group consists of talented, versatile Navy musicians and provides a wide variety of music for audiences of all ages and walks of life.

### **Veteran-Themed Art in the Library Show**

The opening reception for the new *Art in the Library* exhibit will be held at 6:30pm, immediately preceding the Low Brass Quartet's performance. This is an opportune time to meet the featured artists, enjoy refreshments, and view the show, which features works inspired by veterans and veteran-related issues. The *Art in the Library* exhibit will be on display at the Library from October 21 until January 17.
