Re: Understanding the Electoral College

What is the role of the Electoral College in U.S. presidential elections, and how does it work? Delve into the history of this American institution with local historian Vern Frykholm at 6pm on Tuesday, November 1, at the Sequim Branch of the North Olympic Library System (NOLS). Frykholm, who will portray George Washington at the event, will offer a multifaceted view of the Electoral College and discuss its important function in our democracy.

About the Speaker

Vern Frykholm began portraying George Washington in 2012 and has since offered more than 180 portrayals of the iconic leader to more than 14,000 people. He frequently appears at public and private schools, service clubs, conferences, and libraries, and has performed at Sequim's George Washington Inn for the past four years.

This program is supported by the Friends of Sequim Library. For more information about this and other upcoming events, visit www.nols.org and select "Events" and "Sequim," call 360.683.1161, or send an email to Discover@nols.org. The Sequim Branch Library is located at 630 North Sequim Avenue in Sequim.

The Race to 270: Learn about the history and role of the Electoral College this November at the Sequim Branch Library.
