**Re:** Book discussion of “The Skeleton Crew” at the Sequim Branch Library

“The Skeleton Crew: How Amateur Sleuths are Solving America’s Coldest Cases” by Deborah Halber will be discussed at 3pm on Saturday, December 10 at the Sequim Branch of the North Olympic Library System (NOLS). All are welcome to join!

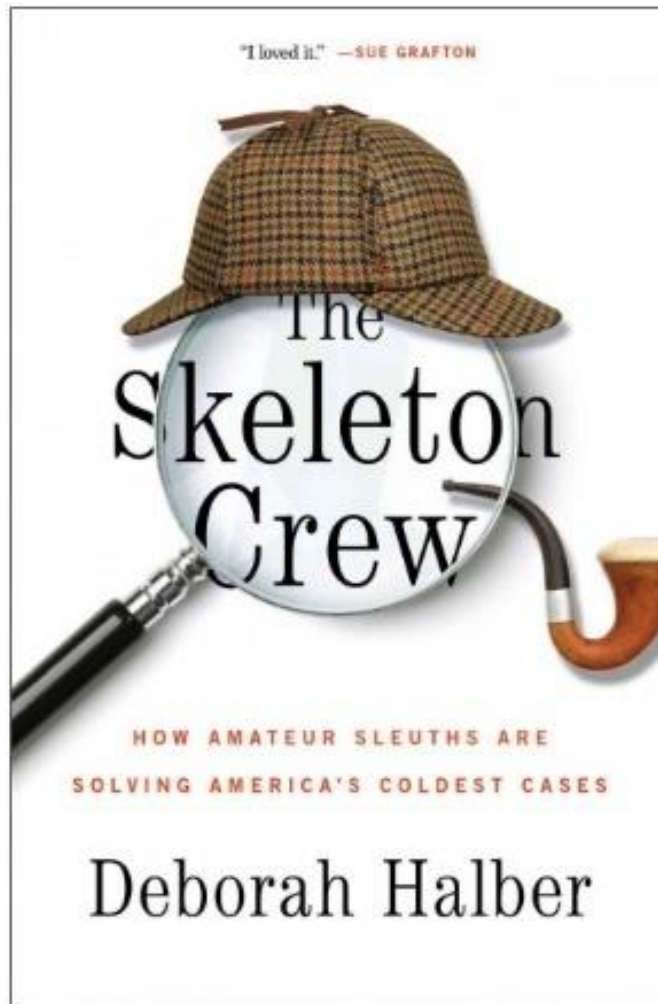

### **About the book**

“‘The Skeleton Crew’ provides an entree into the gritty and tumultuous world of Sherlock Holmes–wannabes who race to beat out law enforcement—and one another—at matching missing persons with unidentified remains. ‘The Skeleton Crew’ delves into the macabre underside of the Internet, the fleeting nature of identity, and how even the most ordinary citizen with a laptop and a knack for puzzles can reinvent herself as a web sleuth.” (Library Journal Reviews)
