Re: Movement Storytimes in Port Angeles

The North Olympic Library System (NOLS) will present two special Movement Storytimes this December for children ages 0-5 and their parents or caregivers. The first program will be offered at 10:30am on Friday, December 9, and the second at 10:30am on Friday, December 16. Both Storytime programs are free, and will take place at the Port Angeles Main Library.

About Movement Storytime

Move and groove at these special storytimes designed to get the wiggles out! Featuring songs, rhymes, and stories for movers and shakers, children will strengthen their bodies and brains with creative movements, and explore their imaginations while practicing balance and creating rhythm. These programs will help develop large and fine motor skills, spatial awareness, and help improve balance and coordination. Best of all, they will encourage playfulness and lots of silliness!
